TUMBLING OUT OF A COCONUT TREE

This isn't the right venue for such discussions, and given my current preoccupation with making rent through my latest collection, I'll allow this wave of social commentary to drift into the vast expanse of online discourse without my involvement.

Before I take my leave, I want to share that I frequently reflect on a particular moment and often find myself quoting his insightful words,

all without ever being labeled a Communist.

Perhaps this is due to the fact that few were truly paying attention to my musings, or maybe, like my friend Miss Kamala, I've simply taken a tumble from a coconut tree.

Let us not be burdened by what has been; and instead, dream of what can be if you buy my book and I can pay my rent - which is already post due.
